MARGARET COMICS

Author's word

♡I research the latest magazine issues for hairstyles during character designs.

Therefore, when the series first began it looked pretty good. But once time goes on, the designs got a bit old. Especially a bunch of males are always complaining about "I wish her hair at the back could be a bit longer." "I wish her ears were covered." Etc. But the truth is, if the hairstyle changes, it'll be confusing who's who. So I'll have to put up with it. Please could everyone put up with it too♡

Fuuko is a lively and healthy first year high school student. She lives upstairs from Ichi and Daiya. Fuuko and Ichi knows their feeling towards each other, but couldn't become a couple.

Daiya confessed to a dejected Fuuko and Fuuko decided to go out with Daiya after her own happiness!!

Ichi began his student council president's job and met with the secretary Ms. Kagechika. She's an extreme pessimist and constantly makes Ichi angry. But it was during that time that Ms. Kagechika started to copy Fuuko's hairstyle.

Ms. Kagechika, who's secretly in love with Ichi, asked Fuuko what Ichi's feelings are. When Ichi found out, he confessed to Fuuko. Daiya embraced Fuuko and said to her, "You can only belong to me!" Knowing Daiya's fear, Fuuko didn't want to cast a shadow on Daiya's smile.

At this time, the two couples Daiya and Issochi, decided to go on a 2 days and 1 night break at a resort after the exams...??!

① Hello!! I'm Nanaji Nagamu!! 19th volume!! So sorry there was such a long break!! (sweat)

For those who are getting sick of reading this, or those who wants even more, please stick it out with me till the very end!!

The first half of parfait in this volume is about camping. The mushroom-shaped huts are based on the research on accommodations in Hyougoken, the GREENECHO. I've been there quite a few times before. There's a stream there and full of nature's view. (Since it's a camp resort, of course there will be.)

Those who live around there, please go and appreciate the parfait storyline♥

So, enjoy volume 19♥

This isn't a dream?! Real!!! It's real!!! Nagata sensei is exactly the same as the main character, Mika, in Love Catalogue!! A warm, gentle person. I would really like to try and date Mika. (I'm super normal!!! I normally like guys!!! Then... what in the world am I saying...?!!) Anyway, Mika is just like Nagata sensei...

EVEN IF I'VE COME TO HELP YOU CHOOSE YOUR WHITE VALENTINE'S GIFT,
TO THE PEOPLE ON THE STREETS, IT LOOKS LIKE WE..
...I'VE BOUGHT WHAT I NEEDED TO GET...
The two of us!!
We,

Lately, I've been talking to people a lot about the topic. Are you an S[1] or an M[2]? I seem to be pretty much an S. Let me excuse myself by saying, that's because those beside me are all M's!! Which makes me give out the aura of abuse, me? please!!

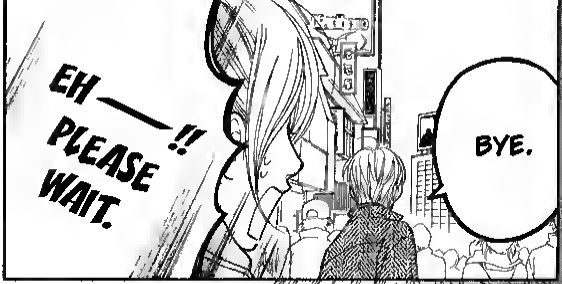
I've even been blamed as the one to seduce others to abuse me. People are always putting the blame on others (lol). But, there really are a lot of people who say 'I'm an M'...

I'm not an M. I'm actually an S. (Speaking of which, what on earth am I talking about over here...)

Although, I think it depends on which one of us is older. But, I won't end up on M's side just because my partner is older. So, I am an S. Even my personality is S!!

Har-har

[1]S- sadist, [2]M- masochist



PRESIDENT, IT SEEMS THAT YOU HAVEN'T LEARNT FROM PAST LESSONS
I think the one who hasn't learnt their lesson is you.
I WILL NOT BE GIVING UP SO EASILY.

...PLEASE ALLOW ME TO LOVE YOU.
Are you all there?
THAT WATERFALL WAS VERY REFRESHING
THE WATER WAS VERY COLD TOO.
Ahhh~♡
THE IONS STILL LINGER IN THE DEPTHS OF MY LUNGS~

IS IT?
COULD IT BE BECAUSE YOUR HANDS WERE SWEATING FROM THE HEAT OF EMBARRASSMENT THAT YOU FELT THE WATER WAS COLD?

THERE WAS SOMETHING SIMILAR TO A FLOW OF ELECTRIC CURRENT.

© I'll probably be confessing my love to Nagata sensei not long after!! (lol) I've already sent a passionate, or rather bitter love, fax to her. I'm prepared to keep sending these. How should I put it? Because I've really loved manga since I was little, when I've met with artists I admire, I think it feels just like meeting with your favorite pop star. I'm so glad I'm in this line of work... That was a party which gave me beautiful memories. ③ You'll notice a really cute character flipping to this page. This is the main character, Riku, from the super popular 'Gakkou no Ojikan' by Mimi Tajima sensei of Margaret. This is a project to celebrate the 50th serialization in the magazine. They will draw a lot of the story's characters on the cover page for the readers to find!
